The Select Board supports the Town Meeting Procedures Committee's proposal for formally assessing interest in, and feasibility of providing for hybrid Town Meeting participation options. Without presuming the findings of such a Study

Committee, the Board believes an examination of the varied and complex issues for realizing a truly "hybrid" Town Meeting, as well as the potential impacts of a hybrid meeting on efficient and effective conduct of Town Meeting would be beneficial. Recent legislation of the Commonwealth may authorize a version of hybrid Town Meeting and the Board assumes the work of a Study Committee would include consideration of same. Accordingly the Board respectfully urges Town Meeting to support a vote to create this Hybrid Town Meeting Study Committee
